THE WORLD WAS CHANGED FOREVER

PARENT HANDBOOK

We are so excited for your child to be at our first ever Gardn Youth Camp this year!

We are passionate about creating an environment where lifelong friendships can be developed, and the call of God can be unlocked in every student's life. Our hope is that every student that attends camp will have a life changing encounter and realise that they can influence culture rather than be influenced.

Youth Camp will be full of fun activities, inspiring messages, hangs and loads more!

This handbook will give you as parents everything you need to know including essential information, what your child/children should bring, contact information, location, dates, and times, and more!
